APPLYING FOR FINANCIAL AID - Information for Families

Thank you for your interest in Rutgers Preparatory School for the 2021-22 school year. You may begin the financial aid application process as early as November 1, 2020, as described below. To be eligible for consideration for financial aid at RPS, new families must complete their application by February 1, 2021. Financial aid decisions will be communicated beginning in March, 2021.

Rutgers Preparatory School uses TADS, Financial Aid Assessment Service to process financial aid applications. Based on the financial information you provide, TADS provides the School with an estimate of the amount your family can realistically contribute to educational expenses. This guides us in making fair and objective financial aid decisions. To begin your financial aid application for the 2020-21 school year, follow the steps below.
